2020HDX SILT FENCE SYSTEM

THE NEXT GENERATION C-SYSTEM SILT FENCE

Approved by Georgia DOT and QPL-36 Listed!

Introducing WINFAB 2020HDX – the next generation C-system silt fence approved by Georgia DOT!

Are you ready to upgrade your erosion control game? WINFAB 2020HDX brings you the strength and reliability you've come to expect from traditional C-system silt fences, but with enhanced ease of installation and removal. Whether you're a contractor, project manager, or environmental compliance specialist, this innovative silt fence is built to save you time and cut down on labor costs without compromising on performance.

Why WINFAB 2020HDX?

- ✓ Approved by Georgia DOT – Meet all state requirements for construction projects.
- ✓ Stronger and more reliable than ever – Protects your site just like traditional C-systems, with added durability.
- ✓ Quick and easy to install and uninstall – No more hassle with plastic or metal mesh backing. Get the job done faster and more efficiently!
- ✓ Cost-effective solution – Save on labor, time, and disposal costs while maintaining top-tier performance.

With the WINFAB 2020HDX, you get the best of both worlds: advanced engineering and user-friendly design. Make the smart choice for your next project!
